ineo 185

monochrome | 18 ppm

Simple and straightforward 3-in-1 multifunctionality

The ineo 185 is a compact, fully equipped office device that meet the needs of small businesses in printing, copying and scanning. What's more, this robust monochrome A3 machine offers the added value of a superior environmental performance. Specifically designed for smaller businesses or workgroups, this 3-in-1 device is strong on output speed and ease of use – all that a small office needs to boost the productivity of its document workflow

Focus on copying

with added value functions

User-friendly multifunctionality

The easy-to-use operating panel with its familiar cursor key configuration and navigation takes all the effort out of using the ineo 185 – so even infrequent users will have no problems. Add to that a printing or copying speed of up to 18 A4 pages per minute and a fast first copy-out time of only 8 seconds and you can be sure that waiting times at this device will be a thing of the past. What's more, the ineo 185 can handle a wide range of media. Its A3 printing and copying capability is a big advantage, especially when it comes to printing time schedules and flow charts or copying construction plans. The ID card copy function allows the front and back of an ID or driving licence to be copied onto just one sheet. And since the 2-in-1 and 4-in-1 functions move in the same direction, two or more originals can be copied onto a single sheet to save time and paper.

- > **High media flexibility:** formats up to A3
- > **Compact design:** low height and small footprint
- > **Standard multifunctionality:** Printing, copying, scanning
- > **Outstanding quality:** ineo HD toner with smaller, smoother particles for clear text and images
- > **Professional printing:** GDI controller standard
- > **User-friendly design:** LCD user interface
- > **Fast printing and copying:** up to 18 ppm (A4)
- > **Paper saving functionalities:** 2-in-1, 4-in-1 and ID card function
- > **Environmental friendliness:** Energy Star Award

GENERAL DATA

Construction

Desktop system
(Scanner integrated)

Copy/print speed

A4: max. 18 ppm
A3: max. 9 ppm

Printsystem

Electrophotographic laser

Gradation

256 gradations

Paper input capacity

Standard: 250 sheets cassette
(A5-A3, 64-157 g/m²)
Standard: 100 sheets bypass
(A5-A3, 64-157 g/m²)

Output capacity

Max. 250 sheets

Paper format

Max. 297 x 432 mm

Warm-up time

29 sec. or less

Dimensions (w x d x h)

606 x 531 x 449 mm

Weight

Approx. 25.2 kg

Power

220-240 V/50 Hz

PRINT SPECIFICATIONS

Controller CPU

120 MHz (standard)

Memory

32 MB

Resolution

600 x 600 dpi

Page description language

GDI, XPS

Interface

USB 2.0

Driver

Windows XP/XP64/Vista/Vista64,
Windows 7 32/64, Windows 8 32/64,
Windows Server 2003/2008/2008 R2

Printable paper sizes

A3-A5, customized paper sizes
